This document

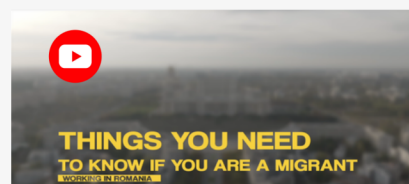

was created in the framework of the ASAP Project - „Accessing services, Sharing Approaches and Practices” implemented in Romania by Western University of Timisoara and LOGS Association.

The project aims at improving the availability and quality of information and access to public services for migrants, by identifying and addressing the existing obstacles and promoting new promising practices.

WELCOME to Timisoara.

Here are some useful information for you!

Timisoara is home to more than 10.000 migrants from NON-EU countries, here to study, work, being married with romanian citizens or seeking refuge.

Integration in a new country can be difficult. But it all starts with the first step. Here is a list on non-profit organisations in Timisoara, that can help you for free in your journey and starting a new life in Romania.
