

LOGS Association – Social Initiative Group

FOTO Agreement

LOGS visibility and positive narrative is at the core of its work.

Therefore, taking pictures and documenting LOGS work with images and videos, with dignity and care, is a pillar of our work and community building.

Agreement:

I, _____, hired as
_____ I agree with my work
with LOGS to be documented with video and images that will be shared on LOGS
social media, internal reports, the annually report as well LOGS financers. LOGS owns
the rights to use for dissemination of its services, the visibility materials, after
termination of work or volunteer contract.
